TECHNICAL DATA SHEET

FEBRUARY 2015

PRODUCT NAME

R15FG Food Grade Chain Lube

PRODUCT RANGE

Part Number Available Size CT-R15FG-300 300g Aerosol

Refer to SDS for product safety guidelines

R15FG Food Grade Chain Lube

Chemtools® CT-R15 Food Grade Chain Lube is ideal for most chain lubrication requirements found in the 'clean' industries such as food, beverage, pharmaceutical and personal care products, food processing, and general industrial use. The special formulation will not stain products on conveyor belts. This synthetic product remains tacky, will not dry, and is water-resistant.

FEATURES AND BENEFITS:

- Does not contain silicone
- Tasteless and odourless
- Multi-purpose industrial spray lubricant

APPLICATION:

- Conveyors
- Rollers
- Bottle filling machines
- Paste dispensers
- Pumps
- Mixers
- Chain drive belts

PROPERTIES:

Appearance Light Amber
Odour Very mild odour
Propellant CO² (Aerosol only)
Operating range -32°C to 110°C

Flammable No

Shelf Life Aerosol - 1 Year, Bulk - 2 Years from date of manufacture

STORAGE:

Store in closed containers, undercover, in a cool and dry environment.

SAFETY:

Please refer to SDS before use. For industrial use only, please keep out of reach of children. Wear suitable safety gear before use.

PRECAUTIONS:

This product is capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Safety Data Sheets (SDS) for this and all other products being used are understood by all persons who will work with the material.

WARRANTY:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the products suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
